COPD Awareness Month 2024

It is important to talk to a health care provider as soon as you experience symptoms, including shortness of breath, frequent coughing, wheezing, chest tightness and unusual tiredness. Early diagnosis is critical to help reduce your lung damage and help with your quality of life.

To take a free risk screener please follow the below link: <https://www.copdfoundation.org/Screeners.aspx>

Men's Health Awareness Month 2024

Movember is the leading global charity changing the face of men's health. Movember has funded more than 1,300 men's health projects around the world.

For more information on the important work they do please follow the below link: <https://uk.movember.com/>

NHS App

The NHS App gives you a simple and secure way to access a range of NHS services. Download the NHS App on your smartphone or tablet. You can also access the same services via the NHS website.

<https://www.nhs.uk/nhs-app/about-the-nhs-app/>

Please be advised, GP appointments are for one medical issue only. If you need to discuss more than one issue please let our reception team know who will be able to allocate you enough time.

Act FAST - Stroke

NHS England have launched the latest Act FAST campaign. It aims to increase knowledge of the signs of a stroke and encourage people to dial 999 immediately in response to any sign – even if it doesn't seem like much.

Any sign of a stroke is always an emergency – at the first sign, call 999.

Act FAST. Face or arm or speech, at the first sign, it's time to call 999.

Visit <https://www.nhs.uk/condition/s/stroke/symptoms/> for more information
