World Menopause Month 2024

The International Menopause Society brings together the world's leading experts on menopause and midlife women's health to improve the experience of women globally.

World Menopause Month 2024 is October. The purpose is to raise awareness of the menopause and the support options available.

For more information please see leaflet here

Upcoming Clinics

Throughout October we are running flu clinics. If you would like your vaccine please call the surgery on 0121 474 4686 to book your appointment.

We will shortly be offering the COVID-19 Autumn booster. If you do not want this vaccine please let us know.

Please be advised, GP appointments are for one medical issue only. If you need to discuss more than one issue please let our reception team know who will be able to allocate you enough time.

Seasonal Advice

Keeping warm over the winter months can help prevent colds, flu and more serious health problems.

It is important to ensure your heating and cooking appliances are safe.

Make sure you are getting all the help you are entitled to, for more information please call us on 0121 474 4686 and we can refer you to our social prescribing service.
